

AGN. NO. _____

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

SEPTEMBER 20, 2005

LIBRARY COMPUTER PORNOGRAPHY BLOCKAGE

The Public Library’s report to the Board September 9, 2005 failed to include a process to eliminate pornography on public computers in our library system.

Privacy screens, special monitors, and floor reconfigurations identified in the report cannot adequately protect children and other patrons from inadvertent exposure to pornographic images.

I, THEREFORE, MOVE that the Board of Supervisors direct the County Librarian, in coordination with County Counsel, to employ all measures necessary to block access to pornographic websites on computers in County Public Libraries.
